SONG OF THE MONTH

Turn Your Eyes Upon Jesus

O soul, are you weary and troubled?
 No light in the darkness you see?
 There's light for a look at the Savior
 And life more abundant and free

Turn Your Eyes Upon Jesus
 Look full in His wonderful face
 And the things of earth will grow strangely dim

Through death into life everlasting
 He passed and we follow Him there
 O'er us sin no more hath dominion
 For more than conquerors we are

Turn Your Eyes Upon Jesus
 Look full in His wonderful face
 And the things of earth will grow strangely dim
 In the light of His glory and grace

FOUNDER

REVEREND B. R. HICKS

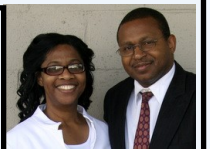

Sermon #2655 Travailing The Man Child to Birth — When I awakened, since I understood my threefold nature as much as God had taught me, I realized what the LORD was showing me, and I repented. God's Word says: "[I] will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions" (Joel 2:28). Through dreams, the LORD speaks to your spiritual ears, and He makes things known. I am so grateful for dreams. They show you a lot of things if you know how to read them. So when I realized that I had an unconscious attitude against this lady, I wept and cried because that was shocking to me because I was growing spiritually over here in the New Heart. But God let me see some things that were inside of me, down in my old heart. It happens when I am awake, and it happens when I am asleep. One time I was very much awake when some person from another denomination said, "Oh, you have got an attitude toward us." I said, "I do not." Well, in my ten percent here, I was totally unaware of having an attitude against that person's denomination. But, see, God taught me, when I started walking with Him, to seek Him. You remember when I got saved I heard His Voice. He has always spoken to me audibly. Later, He appeared to me, and I saw Him. He came and taught me about the Holy Ghost and gave me the Holy Ghost for three and one-half hours, moving around the world in different languages. I had studied languages at that time. So I was much aware when I heard one language change coming out of my mouth to another language; then I would be in the country in the Spirit. Most of those countries where I visited the day I got the Holy Ghost, we have churches now with the Witness of the Message. It is so wonderful to see what God has done. But anyway, God taught me this from the beginning. He said, "If somebody accuses you, you bring it to Me, good or bad. Let Me be the Divine Decider." Sometimes people try to beat you with their broom verbally just to discourage you. And when I brought that type of accusation to Him, the LORD would say, "Pay no attention. That is Lucifer or Leviathan. You are pleasing me. Take up your Cross and keep following me." And so away I took this accusation to the LORD. I am trying to show you how this principle works here. I prayed and said, "LORD, now you heard what that man said to me. I do not want to have an attitude against anybody." I was crying; I was serious. I was really weeping and wailing. "I do not want to have a bad attitude. I do not want to be deceived. I do not want any self-deception. I do not want any self-denial, and I do not want any self-justification here." This all has to do with that old City of Pride that I was telling you about a while ago. But the LORD said "Yes, you do have a spirit." Okay. Then He showed me my white heart, and then I saw this big black serpent curled around. The man was right. I was wrong. But I got rid of that spirit right then. However, I would not have done that if I had not been honest with God. I am trying to show you something about that old man or old heart here that you do not know.
